Dear Parent(s)/Carer(s)

**Examination Preparation – History Revision Guides**

We are able to offer revision guides for the new AQA History specifications to support students throughout their GCSE course. The revision guides are an effective way for students to prepare for the examinations and are an excellent way of testing knowledge and understanding as well as developing the important examination skills required.

It is important to note that pupils in Year 10 are being taught different units by different teachers so will only need to purchase the two topics being covered at present. Year 11 are now in a position to order any remaining books they require, even if this is all 4. Please inform pupils to ask their teacher if unsure which guides are needed.

If you wish to purchase revision guides for your child, please complete and return the form below to our school reception with the correct amount to cover your purchase (cash or cheque – cheques made payable to John Flamsteed Community School). All order forms and payments are required to be returned no later than **Friday 12 October** to enable the resources to be purchased in plenty of time.

**Unfortunately, we will not be able process any orders received after this date until further notice.**
