Re: Year 10 'Exam Ready' Evening - Thursday 7 March 2019 at 6:30-7:30pm

Dear Parent(s) /Carer(s)

As you will be aware, Year 10 Mock Examinations begin on Monday 18 March 2019. These examinations will reflect each student's current performance against the requirements for every GCSE course that they study. Whilst termly monitoring grades and reports are very useful in identifying areas of strength and weakness, this more rigorous checkpoint is needed for the information required for applications to further education institutions and training providers post Year 11.

We will be hosting an 'Exam Ready' evening for all students, parents and carers in Year 10 to offer guidance with regards to being prepared for these assessments. Practical advice will be given in terms of revision techniques, advice on how students can be supported at home, as well as the dates/timings of each exam. In addition, we will share information regarding the Post-16 application process as we recommend that students begin to explore their choices following their first set of mock examinations.

The presentation will last from **6:30 until 7:30pm in the Drama Studio**. We look forward to seeing you all once again in what should prove to be a very useful evening for both our students and the adults working closely with them to support their academic development.

Yours faithfully

Mrs L Hilton
Deputy Headteacher – Teaching, Learning and Assessment
