Dear Parent/Carer

As part of the school's SMSC Education programme, your child will soon receive a unit of lessons on relationships and sexual health.

The purpose of the upcoming unit is to provide knowledge and understanding of safe and healthy relationships based on love and respect. This is to encourage the eventual development of safe and healthy relationships in later life. The unit will develop understanding and attitudes which will help pupils to form relationships in a responsible and healthy manner. Lessons will also include information on sexually transmitted infections, contraception and teenage pregnancy.

Parents can withdraw their children from all or part of sex education that does not form part of the statutory National Curriculum. If you wish to withdraw your child from the lessons on sexual health and safe relationships would you please contact me before the programme starts on Monday 4th March. I can be contacted at school via the usual phone number or via e-mail on bannisterr@jfcs.org.uk

You are welcome to contact me to discuss the programme further.

Yours faithfully,

R Bannister
