

Dear Parent(s)/Carer(s)

I am writing to thank you in advance, for your continued assistance in safeguarding our children here at John Flamsteed School. As you will be aware in September I issued a letter requesting that parents do not access the main school site after 8.10 in the morning due to the dangers for our children in crossing the school drive. The exception to this has been those parents who historically have held passes for their children. Due to further concerns and regarding this matter I have now decided to revoke these passes, therefore as from September 2017 they will no longer be valid unless issued by me for children with registered disabilities.

I am sure you will agree that given the increased numbers of children attending our school from September safety getting into and out of school is paramount. If your child does have difficulties entering school or you have historically held a pass please contact Mrs Maycock, Head of Special Needs, as we will make the necessary arrangements for your child to enter via our Ryknield Road entrance

Many thanks for your continued support with this matter.

Mrs H. Redhead
Head of School
