

22 November 2017

Dear Parents/carers

Further to Mrs Walton's letter to you about issues in the community, today I have been advised by the police that there has been a further incident of a bench being set on fire at Denby Institute. I have, as a result of this, found it necessary to remind our students not to congregate in large groups at night. I would strongly advise you not to allow your child to go out at night unless they are participating in a supervised activity in order that your child is not drawn into, or implicated in any anti-social behaviour in this community of Denby and Kilburn that we are all so proud to belong to.

Yours faithfully

Mrs H Redhead
