

Homework Club

Dear Students, Parents and Carers

We are offering a Homework Club during school hours which enables us to provide support for students to complete their homework tasks. The Homework Club will be available before and after school as well as during the lunchtime period and will be fully staffed to ensure students have access to any help they may need. Computers and printing facilities are also available for students to use if required.

The facility is available each school day as follows:

Time	Venue
8.00am – 8.30am	Study Centre (R7), Ryknield Rooms
12.30pm – 1.00pm	S4
3.20pm – 4.00pm (Monday to Thursday only)	Study Centre (R7), Ryknield Rooms

We hope that this will provide students with a quiet place to work, with guidance if needed, to ensure that students have every opportunity to complete homework tasks on time and to a high standard.

Please do remember that the Homework Hub (which can be accessed using the link from the school website www.jfcs.org.uk) can be used by Parents and Carers to monitor the homework activities which have been issued to students by their subject teachers. There should also be a brief record of the task in their planners. May I ask you to check that the planner is free from graffiti and signed weekly. We also need the Home School Agreement on page 4 signed if this has not already been completed.

Please do feel you can contact me should you have any concerns or queries regarding this facility.

Kind regards

Tracey Antcliff

Acting Assistant Headteacher
