Re: School Meal Price Increase

Dear Parent(s) and Carer(s)

The price of school meals has been static for a number of years but unfortunately Derbyshire County Council, who supply our meals, have had to increase the price of various items on our menus. I have attached the new price list with this letter for your attention.

We understand that this may cause hardship for some families. Please do not hesitate to contact school if this is the case and we will help to identify if you are eligible to receive free school meals. All queries will be dealt with sensitively and confidentially, and we will do all we can to support you. We do not want any child to miss out on a school meal due to the price increase.

Thank you for your understanding.

Yours sincerely

Mrs. H Redhead
Head of School
