

13 November 2018

Dear Parent(s)/Carer(s)

In order to further develop skills and confidence I would like to extend an invitation to your child to take part in a six-week cookery club.

During the six weeks, we will be making a range of products which will enhance their skills already in place and develop this even further. The lessons will take place every Thursday from 3.30pm - 4.30pm (approximately) commencing on Thursday 15 November 2018 (the last session held is 20 December). This is by invitation only and numbers are limited. Students will be expected to bring their own ingredients and a container to take home any prepared food. Can you please also ensure your child arrives home safely after the cookery club has finished.

Please complete and return the reply slip below by Monday 12 November to secure your child's place.

Yours sincerely

Mrs Bartlett
