

26 October 2018

Dear Parent(s)/Carer(s)

Mock Examination Preparation 2018

The mock examination season is fast approaching. We appreciate that this can be a stressful time for students and our aim is to support and guide them as effectively as possible to reduce stress and build their confidence ahead of these crucial examinations. The advice to students has been to make use of the resources provided by subject teachers along with their individualised revision guides to plan their preparation and revision over October half term. Attached to this letter is the mock examination timetable

Additional support for revision can also be found on the school website:

<http://www.ifcs.org.uk/index.php/s/Students/Revision-Resources>

Students have been provided with a laminated revision planner. I would like to take the opportunity to reiterate the importance of students making use of their own time to support preparations for the examinations. Whilst we endeavour to support students as much as possible in school time, it is essential that time is allocated at home over the coming weeks. Revision time should be planned using this revision timetable.

If you require any further information regarding the content of this letter, please do not hesitate to contact me directly or the appropriate member of teaching staff.

Finally, on behalf of the staff I would like to wish all our students good luck for their examinations.

Yours sincerely

Mrs. H Redhead

Head of School
